Please call us at Linked Community Services;

- **Port Stephens Area (02) 4984 7999**

We will explain the process and can assist you in becoming a client of Linked Community Services.

If you are on an **NDIS (National Disability Insurance Scheme) Or Home Care Package**, we can provide you with a transport quote.

## HOW TO BOOK TRANSPORT

The more notice you can give the service the more chance we have of being able to provide transport on the day and time you require.

Some clients will ring and make a booking for an appointment in three months' time. Sometimes clients will only know they need transport 3 to 4 days before. As a rule of thumb, we require 1 to 2 working days' notice so we can meet your transport needs.

Occasionally you may wake up feeling ill or need to go somewhere in a hurry and will ring on the day you need transport. Our chances of being able to provide transport at such short notice is limited but we still tell clients to ring and ask and if we have a spare seat and are in your area we will assist if possible.

Once you know the date and time you need transport, ring the office and we will make a booking for you. Alternatively, with a minimum of three days' working notice, you can book online via our website [www.linked.org.au](http://www.linked.org.au).

Due to the large number of requests we receive we may not be able to assist you at exactly the time you require, therefore we may suggest different times when the service is available.
